# EXPLORE THE ROAD TO FREEDOM

Your group is sure to be inspired, informed, and engaged with the birth of “We the People” and “America’s Most Historic Prison.” Begin your experience at **EASTERN STATE PENITENTIARY**, once the most famous and expensive prison in the world, but stands today in ruin, a haunting world of crumbling cellblocks and empty guard towers. Complete your journey at the **NATIONAL CONSTITUTION CENTER** as you discover how 13 newly independent states became one nation of “We the People.”

Explore an old prison for new ideas. Through an interactive tour with an expert guide, your group will explore Eastern State Penitentiary’s fascinating 142-year history, revolutionary architecture, notable prisoners and its relevance today. Learn more about Eastern State’s time as an active prison while engaging in group dialogue about criminal justice reform from the founding of America to the present.

Inspire citizenship in your group at the National Constitution Center, Philadelphia’s premier group visit destination and the only museum dedicated to the U.S. Constitution. Immerse your group in *Freedom Rising*, the 17-minute, live production that tells the story of the American quest for freedom, *The Story of We the People*, the Center’s innovative, multimedia main exhibit, and *Signers’ Hall* where visitors can sign the U.S. Constitution alongside 42 life-size bronze statues of the Founding Fathers.
